HEADWAY DARLINGTON & DISTRICT

the brain injury association

Your support will benefit your community by

“Ensuring that brain injury survivors and their families in the region have the best opportunities to rebuild their lives”

Every 90 seconds someone in the UK is admitted into hospital with a brain injury (accident, trauma, tumour, stroke.....)

The brain controls everything that we do and an injury can devastate lives as it can affect every aspect of who we are!

Adjusting to life after brain injury can be immensely difficult for the entire family!

It can happen to anyone, at any time and at any age!

When Members buy Co-op branded products and services, the Co-op will give 1% to a local cause. Your support can help raise more for causes in your community.
